

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

Claim 1 (Currently Amended): A clip comprising:

a body having a first side and a second side;

a flat portion between the first side and the second side;

a step portion located on the flat portion, with portions of the flat portion located on opposite sides of the step portion; and

a first prong member projecting outward from the first side of the body; and

a second prong member projecting outward from the second side of the body, with the first and second prong members bent transverse to the body in a first direction and the step portion is transverse to the body in a second direction.

Claims 2-3 (Cancelled)

Claim 4 (Original): The clip according to claim 1, wherein the first prong member has a pointed end and at least one barb along a length of the first prong member.

Claim 5 (Original): The clip according to claim 1, wherein the step portion has about a 0.25 inch - 0.50 inch step radius.

Claim 6 (Original): The clip according to claim 1, wherein the clip is a metal material.

Claim 7 (Original): The clip according to claim 1, wherein the clip is a polymeric material.

Claims 8-20 (Cancelled)

Claim 21 (New): The clip according to claim 1, wherein the material thickness for the flat portion, the step portion, the first prong member, and the second prong
